

QUALITY POLICY, PREVENTION, ENVIRONMENT AND CORPORATE SOCIAL RESPONSIBILITY

The Management of INDUSTRIAL BARRANQUESA, S.A. has as **strategic objectives**:

- Growth and improvement of the business
- Getting the satisfaction of all workers and customers
- To be recognized by society and stakeholders as an excellent company in terms of quality, safety, sustainability, equality and social responsibility

For getting this, **it undertakes to**:

- Maintain the Quality Management System by implementing continuous improvement systems in all levels of the Company
- Comply with the requirements of customers and suppliers
- Comply with all legal requirements that apply to the activity
- Give priority to the safety and health of people over any objective involving the workers themselves in a way that respects the procedures established in their own interest
- Respect the environmental regulations
- Increase the Social Responsibility criteria in the integral management of the Company
- Communicate quality policy and procedures at all levels promoting worker participation
- Provide the necessary resources, material and human, for reaching the established objectives with permanent monitoring system.
- Implement an Equality Plan that guarantees the same opportunities to enter the Company as well as internal development for all people regardless of their sex and condition.

The Policy will be reviewed annually by updating it if necessary, being available to all the stakeholders.
