

QUALITY, PREVENTION, AND ENVIRONMENT POLICY

The management of the group of companies that make up **BARRANQUESA** establishes the following strategic objectives:

- **Growth and improvement of the business.**
- **Satisfaction of all employees and customers.**
- **Recognition by society and stakeholders as an excellent company in terms of quality, safety, sustainability, and equality.**

To achieve these objectives, we commit to:

- **Maintain the Management System**, implementing continuous improvement systems at all levels of the company.
- **Comply with the requirements of customers**, suppliers, and other stakeholders.
- **Comply with all legal requirements** applicable to our activity.
- **Prioritize the safety and health of people**, eliminating hazards and reducing risks, and involving workers to respect established procedures.
- **Respect environmental regulations** and prevent pollution.
- **Communicate** at all levels the **policy** and procedures established within the management system, promoting the participation of all interest groups.
- **Provide the necessary resources**, both material and human, for the fulfillment of the established objectives, carrying out permanent monitoring of them.

This policy will be reviewed annually and updated if necessary, being available to all interest groups.
